

August 2020

Greetings from balmy Mohave County, this weekend temps are supposed to be in the 120's. Come on up to our area and we'll go for a ride or just sit and enjoy a cold beer or a drink. Between COVID-19, lock downs, social distancing, wearing a mask and social unrest this spring and summer sucks! I know many of us do not want to talk politics, but I do want to say this, study the issues and the candidates, which way we vote can affect our freedom to ride as we choose.

Our last monthly meeting was June 15th. and we had the pleasure of Mike Infanzon and his daughter Anne attend that meeting, it was a highlight have them at our meeting. Mike spoke about what is going on at the state level and what he does as the state lobbyist. Mike is very knowledgeable, and we are lucky to have him working for us.

That is all that I have for now. Until next month take care, ride safe and stay safe.
