

February 2020

It has been cold and snowy in High Country, so there has not been a lot of riding lately. Although we did see a Goldwing Touring Group blast by us the other day when it was just 27 degrees. We sure hope they saw that big icy patch in Strawberry before they hit it.

But when the weather gets too cold to ride (comfortably – we still have a couple of crazy people in our chapter), we get to work planning our upcoming year's events.

Recently, our Chapter Coordinator sat down with the heads of the other motorcycle organizations in our area to coordinate our event calendars so we would not be competing with other and so we could attend each other's events. Attending each other's events is one of our favorite things to do when it warms up.

We also want to thank all our new and returning chapter officers for keeping High Country Chapter alive and well up here in Rim Country. We are anticipating some great things for 2020 with continued success in getting out our Motorcycle Awareness message and supporting the ABATE of AZ lobbying efforts.

We look forward to seeing all of you at this year's Motorcycle Day at the Dome, on February 19th!

We have also begun planning our 16th Annual Wild in the Weeds Rally which is held every year during the first weekend in May. It will be held at Punkin Center Bar & Grill in Tonto Basin, as it has been for the past several years. This venue makes it easy to stay cool, have cold beer, hot food, and lots of fun with just enough room for camping and bike/people games (definitely the highlight of the event) and great live music in the evenings.

Remember the dates: May 1, 2 and 3, 2020. Go to WildInTheWeeds.com for the latest information.

Remember, you have a permanent invitation to come and see us. If you can, drop by the Moose Lodge in Star Valley a little before 10 AM on the 3rd Saturday of the month and join us for our monthly Chapter Meeting. We would love to see you.
